Dear Mr. Boulton,

Last week we had the opportunity to work with Barbara Caliguiri, an acquaintance of yours. She introduced us to one of your new concepts, the computer-tape-recorder-etc. combination.

At first hearing, we can appreciate the value of such a device to education; and, we are interested in marketing the equipment to Vermont and New Hampshire schools. When you have found an acceptable sponsor, please consider us an outlet here in the New England area.

If further references are needed, please contact us.

Sincerely,

Jared A. Shady
